From the Faculty's Desk

EVERY SOUL A TREASURE

"Then Jesus told them this parable: "Suppose one of you has a hundred sheep and loses one of them. Does he not leave the ninety-nine in the open country and go after the lost sheep until he finds it? And when he finds it, he joyfully puts it on his shoulders and goes home." Luke 15:3-5

What if you lost something important to you? Maybe it was the keys to your car, and it was the only set you had. What would you do? Would you try to remember the last time you used those keys? Would you retrace your day's steps, looking everywhere? Would you rifle through the stack of papers on your desk? Rummage through all the drawers in your dresser? Check all your pants' pockets? Hunt under the bed? Poke down into the cushions - hunting in between the stale pretzels and paperclips and pennies for your keys?

And why would you go to such trouble to find your car keys? Simple. They have value to you. Without your car keys, you won't be going to work today. No shuttling of the kids to after-school activities. No quick drive to buy groceries for tonight's supper. So when you do finally find your car keys how do you feel? There's a mixture of relief and joy - that which was lost has been found!!

Well, shortly after God created his perfect world and his perfect people, he lost you. Not that he forgot where he placed you or forgot your name. He lost you because you loused up your relationship with him through your sin, through your breaking of God's commands. And from that point in time on you were indeed lost to him - estranged from him in time and separated from him for all eternity in hell.

But God sent his Son, Jesus, to "find" you. Jesus lived a perfect life for you, always keeping all of God's commands in your stead. And because God values you so highly he punished his perfect Son on Calvary's cross for your sins so that you might not be lost to him any longer. Now he calls you to fully place your trust in this Jesus, so that you might forever enjoy your fully restored relationship to him. So, dear fellow "lost" sinner put your trust in Jesus as your only Savior from sin and hell. For God "finds" you only in him.

 - B team starts at 5 pm.
 - This is also Parents Night
 - There will be concessions available
 - If you are able to help in the concessions area or with tickets please contact Kathy Makurat or Terri Bornick. Help will be needed.

Soccer

Another successful soccer season has come to an end. We had a great turnout for the Kiel Tournament. The 5th-8th grade team took first in their pool, and both the K-2 & 3rd-4th grade teams took 2nd in their pools. A big thank you to all the parents, teachers, coaches and children for your enthusiasm and support!!

Dance

Thank you to the parents who said they would be willing to help out with dance this year. Unfortunately with the lack of girls as well as other commitments that have come up for me, there will be no dance team this year. I am sorry for those who were looking forward to dance. If someone else is interested in coaching let Mr. Bohl or Mr. Bain know. Sincerely,
Mrs. Bohl

Mission Offering:

This week: \$38.00

This quarter: \$156.11

Classroom News

Notes from 4K, 5K, and Grade 1

PICTURE DAY IS MONDAY! Please be sure to return the picture envelope with payment if you plan to order. All children will be photographed for the class photo.

Next week is Fire Prevention Week. Please talk with your children a bit about fire drills, both at school and at home so they have a plan and are somewhat prepared.

The pumpkin your child brought home last week was from the Bornick family. Thank you! Some of the children chose a very big pumpkin even though they ride the bus. As far as I know, though, they all made it safely home.

Wish Mrs. Krueger and Mr. Bohl a belated Happy Birthday. They both celebrated birthdays this week!

Show n' Tell

4K—something blue

5K & 1—something that begins with “k” or “l”

Memory Treasure

Wednesday: 4K—Matthew 28:20—Surely I am with you always.

5K & 1-- Matthew 28:20—Surely I am with you always, to the very end of the age.

News from Grades 2-5:

PICTURE DAY IS MONDAY! Please be sure to return the picture envelope with payment if you plan to order. All children will be photographed for the class photo.

Next week is Fire Prevention Week. The firefighters of Princeton will be coming to school on Friday to review fire drill procedures.

The Painted Lady butterflies are free!!! Because of the windy weather on Monday we waited until Tuesday to release our butterflies. We knew they were ready for adventure when 2 of them had already escaped their cage (one on Monday and one on Tuesday). Fortunately when the classroom window was opened, the butterflies flew outside. We took the butterfly cage over to the empty lot by Pastor’s house, opened the cage, and waited for them to fly out. Some landed on the children’s hands or coats at first, but eventually they all flew away. We miss them, but were thrilled to watch the caterpillars grow into butterflies and see them fly off on their own.

The standardized testing began in our classroom this week and will continue next week, too. While grades 3-5 have their tests, the second graders quietly work on the computers. So far it has worked out well.

Calendar Reminder: All school children sing in church on October 18. For Friday all grades should learn verse 1-2 of the “First Song of Isaiah” which is the song we are singing. A sheet is attached to the newsletter.

The fifth graders wrote reports on a planet from our reading story and presented it to everyone in the classroom. It’s good practice speaking in front of a group. When it’s your friends, it can be even harder not to get nervous. They both did a very good job.

6-8th Grade

PICTURE DAY IS MONDAY! Please be sure to return the picture envelope with payment if you plan to order. All children will be photographed for the class photo.

Next week is Fire Prevention Week. Please talk with your children a bit about fire drills, both at school and at home so they have a plan and are somewhat prepared.

We will begin Terra Nova testing next week. The students will be taking one or two tests a day. Make sure they are getting plenty of rest and a good breakfast in the morning so they are well prepared for the tests!

Progress grade reports will be sent home Monday. Please make sure you take a look at them, sign them, and sent them back to school on Tuesday. These are only progress reports; they are not the actual quarter reports. They are just to help you and the students see where they are at grade wise. These grades can be improved by the end of the quarter (October 28.)

Memory Work

Wednesday: Genesis 39:9, Acts 5:29, Acts 4:20

Fri: Hymn 116:1
